

Become a Trustee...

bhojan daan

What Is Bhojan Daan ?

Bhojan Daan is a charitable initiative set up by Mayur Dasani who has a vision to help eradicate food poverty in India.

We currently focuses on providing everyday groceries to those who cannot afford it. One of the goals for Bhojan Daan is to set up a restaurant facility in Haridwar to cater exclusively to the homeless and provide a sit-down buffet meal to them, which will be sponsored by donors.

Despite having a small team of supporters, we have still managed to support the COVID crisis in India whilst working on our main goal - to help eradicate food poverty in India.

It is clear however, that we need to do more. Much more.

Bhojan Daan is keen to attract people with a passion for the development of the charity.
